

Notice of application to be filed for approval to renew the franchise agreement between the Village of Girouxville and ATCO Gas and Pipelines Ltd.

Application summary

ATCO Gas and Pipelines Ltd. will file an application with the Alberta Utilities Commission, requesting approval to renew its franchise agreement with the Village of Girouxville.

The franchise agreement will continue to grant ATCO Gas and Pipelines Ltd. the right to deliver natural gas to residents of Girouxville. The franchise agreement is proposed to be effective on December 31, 2025, and expire on December 31, 2035. The existing franchise agreement was previously approved by the Commission in Disposition 29708-D01-2024.

The franchise agreement renewal includes a franchise fee to be collected by ATCO Gas and Pipelines Ltd. and remitted to the Village of Girouxville. The proposed franchise fee is 26%, which is the same as the existing franchise fee. The franchise fee percentage is applied to the distribution tariff, which typically consists of both distribution and transmission charges. Including linear taxes and based on the average monthly residential consumption of 8.75 gigajoules (GJs) of natural gas, the average monthly franchise fee paid by an average residential customer is expected to remain the same at \$16.15.
